GERMAN FRIENDSHIP TO BE DEPENDENT ON RETURN OF COLONIES

Hitler Demands Satisfaction of Colonial Claims as
Guarantee of Co-operation With Great Britain
And France—Renews Attacks on Critics
And Praises Chamberlain and Daladier

MUNICH, Nov. 8 (CP)—Chancellor Hitler tonight demanded satisfaction of Germany's colonial claims as a guarantee of friendship with Great Britain and France. "We are very grateful that the leaders in France and Britain desire to live in understanding with the German people," the Fuehrer told Nazi party veterans meeting here to commemorate the fifteenth anniversary of his 1923 Munich beer hall putsch.

But the surest way to achieve such understanding, he continued, was to settle the one great problem still outstanding—restoration of Germany's war-lost colonies, "which were taken away from us by pretexts contrary to justice."

Colonies are all Germany asks of Britain and France, the Fuehrer pledged. "This is naturally in no way a matter to settle by war. It is only a question of justice and honest intention to make a common life possible among the peoples."

He poured fresh praise on Prime Minister Chamberlain and Premier Daladier, of France, but heaped renewed bitterness on critics of the dictators.

Germany intended to keep pace in the world rearmament race, he said.

"There are now men in power in France and Britain," he declared, "who want peace, but there are also men who want war."

MAY ERECT STRUCTURE

R. W. Mayhew, M.P., Expects Federal Building Will Be Constructed in 1939

Construction of the proposed Federal building for Victoria may commence next year, R. W. Mayhew, M.P., for Victoria, said yesterday at a meeting of the Building Industries Trade Group of the Chamber of Commerce. Mr. Mayhew stated the Dominion Government was expected to act upon the request of the district resident architect, C. F. Dawson, supported by his own, to have the building included in next year's estimates.

The structure would be erected on Wharf and Courtney Streets, overlooking the Inner Harbor. The original plans, as prepared by C. E. Wood Watkins and J. Graham Johnson, called for a six-story building costing in the neighborhood of \$700,000.

HANDIER SITE

Mr. Mayhew told the meeting this site had finally been selected in preference to other spots, as it was handy to the postoffice, being just across the street, and constant communication would be necessary between the two buildings. The Federal building would house the Department of Marine and Transport, the hydrographic, Telegraph and Radio Departments and the Customs offices. The local member said that as the result of a recent survey with Mr. Dawson, he was convinced the Federal building was absolutely necessary in Victoria.

SAYS SACRIFICE NOT SUFFICIENT

Chinese Premier Declares Unity Alone Cannot Bring Victory For His Country

CHUNGKING, China, Nov. 8 (AP)—With Japanese bombing planes blasting deeper into the unquarantined interior of China, Premier H. H. Kung, told a mass meeting that his people "have unity but have not attained sufficient sacrifice."

Foreign reports reaching Shanghai said twenty Japanese bombing planes attacked Chengtu, capital of Szechwan Province, about 170 miles northwest of Chungking. These attacks said 100 bombs were dropped on an air field and the invaders met sharp resistance of Chinese planes.

The raid marked another step towards execution of the Japanese threat to "invade Tibet if necessary," the dispatch from Shanghai said. Chengtu is about 800 miles from the Tibetan border.

House Prepares for Budget Today After Main Debate Closes

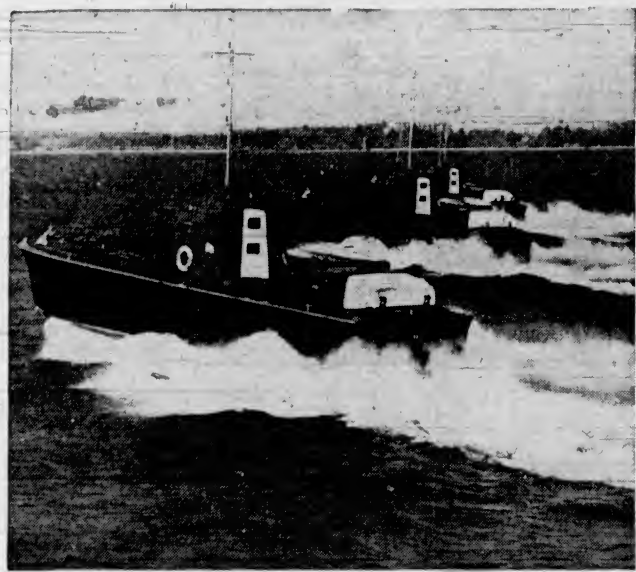

Premier Pattullo, Winding Up Debate, Says Government Wants Utilities on Fair Basis—Immigration Scheme Championed by H. G. Perry

PREMIER T. D. Pattullo closed the ten-day debate on the address in reply to the Speech from the Throne in the Provincial Legislature last evening, and preliminary budget motions by Hon. John Hart, Minister of Finance, cleared the way for the introduction of the budget today when the House resumes at 2:30 p.m.

H. G. Perry (Lib. Port George) led off when the main debate was continued at 2:30 p.m. yesterday, and was followed by Captain Macgregor Macintosh (Con. Islands), E. V. Finland (Con. Esquimalt), J. M. Bryan (Lib. Mackenzie) and Premier Pattullo.

PREMIER PATTULLO Following a statement of his belief in the confidence of the people in the administration of the Liberal Government, the Premier directed

New Equipment for British Army

These high-speed target-towing motor boats were built at Hythe, near Southampton, for the War Department, and have a speed of thirty knots. They are intended for towing targets in connection with coastal battery practice, and carry a crew of ten. The first of the boats are shown having their trial run.

King and Queen to Visit The United States Before Finishing Canadian Tour

His Majesty Announces Acceptance of President Roosevelt's Invitation

WILL BE IN CANADA FOR THREE WEEKS

LONDON, Nov. 8 (AP)—From a gilded throne in the House of Lords King George today opened Parliament with a history-making announcement that he and his Queen would visit the United States at the time of their Canadian tour next summer.

Crowned and decked in Imperial purple, the King told the brilliant gathering of peers and peersesses "I have been happy to accept" President Roosevelt's invitation.

Later in debates in the Lords and Commons, speakers praised the King's attempt to cement relations between Great Britain and the two North American democracies. They referred to the significance of Canada being the first Dominion to welcome a British sovereign on its own soil.

"TRULY HISTORIC" When Their Majesties tour Canada "it will be a truly historic occasion," said Prime Minister Chamberlain, "on which Canada should be proud."

Sets Date for Hearing Counsel

OTTAWA, Nov. 8 (AP)—Mr. Justice H. H. Davis, of the Supreme Court of Canada, today heard the last evidence as royal commissioner investigating the Bren gun contract, and set Monday, November 21, as the date for argument by counsel upon the evidence taken in eight weeks of public hearings. The argument is expected to last a week.

Freighter Trying Salvage Work Mistaken for Warship

OSTEND, Belgium, Nov. 8 (AP)—A Belgian tug captain, after investigating on the spot, tonight contradicted the report of a British Royal Air Force plane which indicated a Spanish insurgent warship sank a Spanish Government freighter off the coast of Belgium.

The captain of the tug, dispatched to the rescue from Ostend, wireless he had failed to locate the sinking freighter which the Royal Air Force pilot had reported sighting five miles off Wandelaar Lightship, near the west mouth of the Scheldt River.

He said he was convinced the aviator was misled by seeing the wreck of the Swedish steamship Nippon which sank two months ago, and the freighter which is attempting to salvage the wrecked vessel's cargo.

Review Problems Of Hospitals at Convention Here

Twenty-First Annual Meeting Brings Delegates From Mainland and Island Institutions—Hon. Dr. Weir and Mayor McGavin Extend Greetings—Many Matters Are Discussed

APPROXIMATELY 100 delegates, representing hospitals in many parts of British Columbia assembled at the Empress Hotel yesterday morning for the opening session of the twenty-first annual convention of the British Columbia Hospitals Association. Sessions will continue throughout today and tomorrow. E. S. Withers, of New Westminster, is president of the association.

LOWERS INTEREST ON FRENCH BONDS

Minister Makes First Move to Improve National Finances—May Limit Wheat Production

PARIS, Nov. 8 (CP-Havas)—The French Government will reduce interest on two-year national defence bonds from 4 1/2 per cent to 4 per cent tomorrow, in what is regarded as Finance Minister Paul Reynaud's first move to improve the republic's finances and economy.

A second decree will drop the same interest to the same figure on eighteen-month national defence bonds.

It was also reported that Reynaud, who today conferred with Agriculture Minister Henri Queuille, discussed possibility of limiting France's wheat production.

Elements Of Radium Produced

PARIS, Nov. 8 (CP-Havas)—Jean Frederic Joliot-Curie and his wife, Irene, daughter of the late Marie Curie, who discovered radium, have succeeded in artificially producing radium elements, according to Simone Dubreuil, writing in tonight's Paris-Soir.

Thirty grams of the rare radium would be required to produce the radium elements, according to Joliot-Curie, according to the writer, who claims this is a remarkable achievement in view of the fact that the world radium supply is only ten grams.

Chamberlain to Speak at Dinner

NEW YORK, Nov. 8 (AP)—Prime Minister Chamberlain's address at the Lord Mayor's Dinner at London tomorrow will be broadcast to North America. It was announced by radio networks here tonight. Mr. Chamberlain will speak from 1:20 p.m. to 1:30 p.m., and the speech will be rebroadcast at 5:30 p.m.

VANCOUVER MAN TO JOIN BOARD

W. Hanbury, Lumberman, Chosen to Fill Transport Commission Vacancy

OTTAWA, Nov. 8 (AP)—William H. M. Wardrop, a barrister of Hamilton, Ont., today was appointed to the Board of Transport Commissioners as assistant chief commissioner, and Wilfred Hanbury, Vancouver lumbering and former Member of the House of Commons for Burrard, was appointed a member of the commission.

Prime Minister Mackenzie King made the announcement tonight, following a meeting of Cabinet Council.

Mr. Wardrop succeeds Dr. S. J. McLean as assistant chief commissioner. Dr. McLean retired recently and is being retained to act in an advisory capacity to the board which, since last session of Parliament, has taken on additional jurisdiction covering transport by air and, to some extent, by water.

SUCCESSOR RATE C. NORRIS

Mr. Hanbury takes the vacancy on the board created two years ago by the death of T. C. Norris, and brings the board to its full complement of six.

Hon. Hugh Guthrie, former Justice Minister, was appointed chairman of the board in 1935 by Rt. Hon. R. B. Bennett, then Prime Minister. He has three years to serve before reaching retirement age of seventy-five.

Other members are Deputy Chairman F. N. Garneau, John A. Stone, and George A. Stone. The appointments are for ten years, but commissioners are eligible for re-appointment.

LATE NEWS BULLETINS

GERMAN PRESS ACCUSING UNITED STATES

BERLIN, Nov. 8 (AP)—Deutsche Diplomatisch-Politische Korrespondenz, organ of the German Foreign Office, today accused the United States of attempting to incite South American nations against Germany in a "campaign" carried on by "the highest official quarters." The correspondence service said the "campaign" was designed to convince South Americans of "the evil intentions of the Fascist States."

DUBLIN TRANSPORT SERVICE HALTED BY STRIKE

DUBLIN, Nov. 8 (CP-Havas)—Dublin's tramway and bus service was paralyzed tonight by a strike of 2,000 men, staged in sympathy for a man discharged because he visited a cafe during working hours. The walkout, started yesterday, became general today despite union disapproval.

NEW MAINLAND BRIDGE OPENS MONDAY

VANCOUVER, Nov. 8 (CP)—The Lions Gate Bridge over the entrance to Vancouver's harbor will be opened permanently to traffic November 14, Major P. A. Curry, managing director of the Lions Gate Bridge Company, announced tonight. No official ceremony will be held at the bridge opening.

FOUR DIE IN ELECTION DAY SHOOTINGS

HARLAN, Ky., Nov. 8 (AP)—Three men, one of them a former Harlan County deputy sheriff, were reported shot to death today near Evans, eight miles east of here. This brought the toll of election day shooting fatalities to four, with eight men in jail.

ITALIAN PLANE TRYING LONG FLIGHT

ROME, Nov. 8 (CP-Havas)—The bi-motored plane Sanio Francesco, carrying a crew of five, took off at 12:15 a.m. for Damascus, first scheduled stop in a speed flight to Tokyo. The flyers hope to better the Japanese mark of 30 hours between Rome and Tokyo, a distance of 6,000 miles.

New Deal Supporters Trailing in Pennsylvania, Ohio, Kansas, Michigan, Minnesota, Oregon And Half a Dozen Other States—Wisconsin Fails to Support La Follette Regime

Governor Lehman Narrowly Defeats Dewey in New York

(By the Associated Press)

THE New Deal suffered a body blow in yesterday's elections, when Republicans recaptured their old stronghold of Pennsylvania, and made striking gains in other states. However, the Republicans took some buffeting themselves. They lost their try for the New York Governorship, though by a "photo finish" that was breath-taking. Their gubernatorial and senatorial candidates were trailing in California, scene of the \$30-every-Thursdays agitation.

NO PANACEA SAYS MANION

Conservative Leader Advocates Betterment for All Classes, He Declares

GALT, Ont., Nov. 8 (AP)—There is no simple panacea or cure-all for the economic evils affecting Canada. Hon. Dr. R. J. Manion, National Conservative leader, said here tonight at a meeting in support of Karl Homuth, Conservative candidate in the November 14 Waterloo South Federal by-election.

"There is nothing to blaze a way for us into heaven overnight, but there are methods that over a reasonable period of time will bring about that betterment for all classes that I advocate," Dr. Manion said. "The object of government is the happiness of the governed and that is the aim I shall attempt to bring about."

EFFORT FOR LIFE

"If I get into power in Canada, I'll make the balance of my life an effort to bring about those just conditions. My ideas are within the four corners of good Conservatism. I'll say good Liberalism—but generally they are good Canadianism. I am subservient to no individual, group, clique or class."

The problem of the primary producer in Canada today was not so much a matter of economy and efficiency in production as it was marketing, Dr. Manion declared. The National Conservative Party was pledged by the leader to reduce the spread between consumer and producer.

Dr. Manion appealed for a large vote on the by-election day. When Canadians did not vote, they failed to show appreciation of the freedom of speech, press and assembly they enjoyed, he said.

Dr. Manion's address was before 1,200 persons in the Armories. Polling will be held next Monday, the same day Dr. Manion seeks a seat in Parliament in the London by-election.

QUITS CABINET OF AUSTRALIA

Trade Minister Resigns When Not Included in New "Inner Cabinet"

CANBERRA, Nov. 8 (CP-Havas).—Less than twenty-four hours after Prime Minister Joseph Lyons had reshuffled his Cabinet, Thomas White, Minister for Trade and Customs, resigned today because he was not included in the new "inner cabinet."

He said secondary industries would not be represented in the inner group and that, in addition, he did not approve of the Government's defence policy.

Accepting the Prime Minister said Mr. White's attitude was due to entirely personal issues.

DEAL WITH MAJOR MATTERS

Six ministers are to constitute a senior group to deal with major matters of general policy. The remainder of the Cabinet is to be divided into two sub-committees, to be presided over by one of three senior ministers—the Prime Minister, Sir Earle Page, deputy leader, and Attorney-General R. G. Menzies.

These committees will report to the whole Cabinet. It is hoped these arrangements will avoid an accumulation of subjects for Cabinet discussion, leaving it more time to deal with matters of major importance.

PROVOKES SCENE IN HOUSE

Mr. White announced his resignation as soon as the House of Representatives met today, provoking a scene in which he and Mr. Lyons exchanged angry words.

The resigned minister read a long letter, characterizing "the handling over of Government policy to a clique" as a departure from democratic principle.

SIX ARE SLAIN IN ELECTION FIGHTS

Three Others Critically Wounded In "Outbreaks" of Violence in Kentucky

LOUISVILLE, Ky., Nov. 8 (AP)—Six persons are dead and three reported dying tonight in the bloodiest election day in Kentucky since 1933, when eighteen were slain.

Three were killed in Harlan County and one each in Bell, Owsley and Todd Counties. Two persons involved in the Owsley shooting were reported dying and a fourth man found walking along the highway near the scene of the Harlan shooting was in a critical condition with two bullet wounds in the abdomen.

Two other persons were in hospital with less serious wounds.

VIENNA PRIEST DIES OF HURTS

Was Hurling Through Window by Nazis in Attack On Cardinal

VATICAN CITY, Nov. 8 (CP-Havas).—A priest, hurled through a window by Nazis who, on October 8, invaded Cardinal Innitzer's palace at Vienna, died several days ago of his injuries, the Vatican radio station reported tonight in an English-language news broadcast. The cardinal archbishop is still under "protective surveillance," the broadcast said.

At the time of the outbreak the victim of the Nazi attack was described as Canon Johann Krawanik, fifty, but the broadcast referred to him as a "young priest."

PALACE STILL IN RUINS

Crediting the account to two persons who visited the cardinal, but whose names were not given, the announcer said the priest's palace was still devastated, with windows shattered, lighting fixtures smashed, doors ripped off their hinges, books and paintings torn to shreds, furniture broken and crucifixes profaned. A ring given to the cardinal by Pope Pius XI had disappeared.

The prelate was quoted as having told his visitors he preferred death to renunciation of his principles. He was reported to have said he had made a mistake in trusting Nazi authorities, and the mob invading his palace respected neither his dignity nor his person.

Tested Eggs Good After Forty Years

FAIRBANKS, Alaska, Nov. 8 (AP)—Forty-year-old desiccated eggs, discovered in airtight tins in a dismantled old trading post at Circle City, will be served, some hard-boiled Saturday, when the American Legion sponsors a community "Days of '98" celebration.

The eggs, tested and pronounced perfectly good, were found in the post established in gold rush days.

BANDIT IN WINNIPEG

WINNIPEG, Nov. 8 (AP)—An armed bandit entered the Standard Broom Manufacturing Company office today; eluded Harold Campbell, twenty-three-year-old bookkeeper, over the head with a blunt instrument, and escaped with nearly \$500 in payroll money.

TORPEDO STORY IS "FANTASTIC"

Investigators Believe Black Powder Bomb Was Placed at Dock

OAKLAND, Calif., Nov. 8 (AP).—Investigators worked today on the theory a black powder time bomb explosion tore the five-foot hole in the German ship Vancouver here last Thursday, endangering lives of passengers and crew.

Earl Warren, Alameda County district attorney, said officers and marine experts among the investigators generally believed the bomb was placed alongside the ship while it was being loaded at the Encinal Dock.

Warren, who stated he was sure the explosion which put the vessel on a mudflat of the Oakland Estuary was the work of criminals, declared nearly thirty investigators

working for various governmental agencies based their conclusions on results of the explosion, rather than on clues.

The officers said they believed the bomb had been suspended just below the ship's waterline by a cable attached to the scuppers. They dismissed as "fantastic" the possibility a torpedo might have been fired from the shore.

Crew members, passengers and dock workers were to be questioned, Warren said, since it appeared whoever had placed the bomb had knowledge of the ship's sailing time.

Only the fact the ship left the dock ten minutes late saved the explosion from being a disaster, Warren said. Had the bomb exploded ten minutes later, the vessel would have been out of the estuary and in the deep waters of San Francisco Bay.

The vessel, refloated yesterday and with a big timber patch over the hole, was being unloaded today at the Grove Street terminal. It will be moved Thursday to drydock. Representatives of the Hamburg-American Line, owner of the ship, said it probably would be January or early February before the extensive repairs needed are finished.

VICTORIA LODGE HOLDS CEREMONY

W. Goode Raised to Roll of Honor At Lodge No. 4567, R.A.O.B. Meeting

W. Goode, K.O.M., I.P.P.Y.P., of the Pride of Victoria Lodge, No. 4567, R.A.O.B., was raised to the roll of honor at a ceremony, ably conducted by eighty-five-year-old R. Mackie, who received the support of the sponsors and from all brothers taking part in the ceremony.

There were many visiting brothers from outside points, including United Service Lodge and Vancouver lodges, it being a ceremony which is seldom seen on Vancouver Island.

Exchanges of fraternal greetings, congratulations from all sides were given "Old Bob" on the completion of a wonderful and inspiring ceremony. Refreshments were served and a musical ceremony given.

REVIEW PROBLEMS OF THE HOSPITALS

Continued from Page 1

Among those who contributed to the discussion of this subject were: A. K. Haywood, of Vancouver General Hospital; Adam Bell, chairman of the Board of Industrial Relations; Percy Ward, Vancouver, one of the hospital inspectors; E. W. Neel, of Duncan; Mrs. Shaw, of Abbotsford; J. M. Coady, of Vancouver; Sister John, of the Cross, Seattle, who gave a survey of the operation of the minimum wage law in hospitals in the Western States; Mr. Layton, of Vernon, who suggested that the association urge on the Government some idea of economy rather than the spending of more money; Miss Janet Gilley, of New Westminster, who maintained that the hospitals were the victims of "squeeze" revenues being cut off on the one side, while on the other, cost of operation was going up; J. O. Nicholls, of Nanaimo, who protested the low scale of wages given as "minimum"; and Rev. Mr. Hogg, of Lytton.

President E. S. Withers (New Westminster), said that the hospitals, in conforming to industrial regulations, were suffering. The cost of operation of hospitals, Mr. Withers maintained, had been materially increased by orders put into effect by the Board of Industrial Relations, and the situation was serious.

A grave warning concerning the possible serious results to Victoria of neglect of public health precautions was issued by Dr. H. E. Young, provincial health officer, in his survey of "Fifty Years in Health Work" at the luncheon at the Jubilee Hospital Nurses' Home yesterday. Public apathy, he urged, must be overcome. The city should clean house.

Dr. Young traced the development of public health machinery in British Columbia since the enactment in 1869 of the "Ordinance for promoting the public health in the Colony of British Columbia," which became a statute when British Columbia became a province of the Dominion in 1871.

MORNING SESSION

Delegates were welcomed at the opening session by Mayor Andrew McGavin, who, speaking on behalf of the city, said he looked forward to the day when the Provincial Government would take over all costs of hospitalization. At the present time the municipalities were serving as fairy godmothers to the hospitals.

Hon. Dr. G. M. Weir, Provincial Secretary, whose honorary president of the association, in extending greetings intimated that drastic revision of the Hospitals Act would have to take place within the next year. He suggested that the association nominate a committee to work with the Provincial Secretary, Department on drafting a hospital system that would meet the province's needs. A zoning system, with general, secondary and first aid institutions in each area, was offered as a possible solution to the problem of the present inequitable distribution of hospital costs.

PRESIDENT'S REPORT

The report of the president, E. S. Withers, of New Westminster, gave a summary of conferences between the association's executive and the Provincial Secretary on matters concerning hospital revenues. One point specially stressed was that the executive had protested the plan by the Board of Industrial Relations of hospital labor on the same foot-

View Work Done by Disabled Veterans

HON. Eric W. Hamber, Lieutenant-Governor of British Columbia, and Mrs. Hamber paid a visit to the Red Cross Workshop yesterday morning, accompanied by A. M. D. Fairbairn, secretary to His Honor. Met upon arrival by Major S. H. O'Neil and members of the executive committee in charge of the workshop, His Honor and Mrs. Hamber were taken to all departments of work carried on in the shops, and manifested a deep interest in every detail. Before leaving, His Honor remarked there should be great satisfaction that men were employed who needed assistance after taking part in the defence of the honor of the nation in time of need. Too much could not be done to assist in this work, and before leaving the room where the poppies were being made, he selected a massive wreath which he asked to be sent to Government House.

In the picture at the top, which was taken in the poppy room, there appear, from left to right: Mrs. A. J. Dallain, Mrs. P. F. Curtis, Mrs. Hamber, Mrs. J. L. Grimison, His Honor the Lieutenant-Governor, and J. G. Morley, foreman of the room, holding a poppy wreath in a shipping case.

patient required active treatment and might not have the proper facilities in the home.

While a depressing picture of the increasing incidence and baffling nature of cancer was given by Dr. B. J. Harrison, director of the British Columbia Cancer Foundation, in his address yesterday, a more optimistic note was struck when he called attention to the favorable effects of early treatment.

"The British Columbia Cancer Institute is just one point in cancer control," he told the meeting at his address yesterday, a more optimistic note was struck when he called attention to the favorable effects of early treatment.

It was hoped through the institute to give patients more help than was available in the past.

Another suggestion Mr. Mayhew said he was making to Ottawa was to have the present headquarters of the Dominion Government Telephone and Telegraph Service at 1228 Government Street, modernized—44 the structure were remodeled, he believed it could produce revenue as an office and apartment building.

In passing a resolution in favor of a forum for Victoria, the meeting decided to have the secretary of the Chamber of Commerce communicate with Mr. Mayhew and ascertain definitely if the Federal Government would loan the money for the structure under its aid to municipalities plan on self-liquidating improvement, at an interest rate of 2 per cent. J. N. Anderson was appointed to act with Duncan MacBride and E. H. Harris, of the Chamber of Commerce, for committee, in interviewing the promoters of the scheme with regard to taking some action.

LOW RENTAL SCHEME Following a talk on the Dominion Government's low rental scheme by C. J. McDowell, the meeting decided to ask Col. Brooke Stephenson to address the next gathering on the subject. Mr. McDowell said that low-rental housing was a definite need in Victoria and the city could put much-reverted land back on a tax-paying basis, plus 5 per cent interest on its share of the investment, if it adopted the plan.

At the election of officers, which followed the business discussion, J. N. Anderson was elected chairman and J. V. Johnson, vice-chairman. The executive was chosen as follows: A. H. Edwards, Williams, C. J. McDowell, Walter Lumsden, J. O. Cameron and H. J. Pendray.

JAMES ORR PASSES AWAY AT COURTENAY

COURTENAY, Nov. 8.—James Orr, of Courtenay, passed away at Cumberland General Hospital, Monday, in his eighty-first year after an illness of five months.

Born at Port Hope, Ont., Mr. Orr moved to Alberta in 1906, where he farmed until 1924, when he came to this district. In 1929 he gave up active farm work. His wife predeceased him in February, 1936, and surviving are three sons, Andrew C. John E. and Alec R. and two daughters, Mrs. Enoch Hellen and Miss Nellie Orr, all of Courtenay.

Funeral services were held Tuesday afternoon from St. George's United Church, Courtenay, for interment in the United Church Cemetery at Sandwick. Rev. Peter Henderson officiated, and pallbearers were William Ferguson, Jack Thomson, William Rickson, P. Leo Anderson, J. H. Macintyre and Fred Field.

TRADE TREATY NOT READY YET

Prime Minister Hopes to Conclude Session Before Royal Visit

OTTAWA, Nov. 8 (AP)—Parliament will meet either the first or second week in January, Prime Minister Mackenzie King announced tonight, following the first Cabinet council he has presided over in a month.

Had the new Canada-United States trade agreement been ready in time, the government would have called Parliament late this month, the Prime Minister said; but he was not yet sure what date it would be signed, although it will be "very soon."

"We will go ahead with business as fast as the House permits, but we do not propose to rush Parliament. It will take its own time, but it will be desirable to have it over before the visit of Their Majesties," the Prime Minister stated.

TO ADJOURN DURING VISIT "In any event, we will not sit while Their Majesties are here. If necessary, we will adjourn while they are in Canada, because Ministers and Members will want to be in their own constituencies."

Ministers are to be appointed to the legation in France and Japan, and one for the new dual legation of Holland and Belgium, for which provision was made in the estimates at the last session of Parliament.

Mr. Mackenzie King said appointments to these vacancies will be made before Christmas. He was not ready to indicate when the six existing Senate vacancies will be filled.

Finance Minister Charles Dunning attended his first full-length Cabinet session today since he was taken ill during the budget debate last June. He has attended two brief sessions in the past week.

LOGGING ACCIDENT HAS FATAL RESULT

NANAIMO, Nov. 8.—An Inquest will be held at Jenkins Chapel, on Wednesday morning, to investigate the circumstances surrounding the death of Davis Louis, of Wellington, who died in the local hospital of injuries sustained in an accident at the Nile Creek Logging Company's operations at Pleasant Valley, where he was engaged as a buckyer. He was thirty-eight years of age and leaves a widow and seven children. Funeral services will take place at the Indian Mission Church of the United Church of Canada, on Wednesday afternoon, J. H. Wright officiating. Interment will be in the Indian Reserve Cemetery.

HOSPITAL BILL MAY PROCEED

B.C. Legislative Committee Accepts Jubilee Hospital Act Amendment

To allow the Provincial Royal Jubilee Hospital's amendment bill to proceed, standing orders were suspended by the private bills committee of the Legislature yesterday morning. The petition had failed to comply with the standing orders in certain particulars.

The purposes of the amendment bill are to change the name of the hospital by the deletion of the word "Provincial"; to create a general endowment fund, income from which is to be applied to defray the costs of additions or alterations to buildings and equipment, and to empower the board of directors of the hospital to create special endowment funds at their discretion.

Supporting the petition, Roy Manzer explained that the delay in depositing the petition was due to the illness of one of the directors of the hospital.

Only one other petition came before the committee yesterday, that of the Vancouver City Corporation to introduce a bill to amend the Vancouver Incorporation Act, 1921. It was reported that the standing orders had been complied with, and the bill was accepted and allowed to proceed.

H. G. Perry and J. H. Forrester were re-elected chairman and secretary, respectively, of the committee, which met yesterday for the first time during the 1938 session.

CREDIT MAN HAS IMPORTANT DUTY

R. Loughead Addresses Organization On Necessity for Maintaining Good Will

The Credit Granters were addressed yesterday in Spencer's dining-room by Ron Loughead, who stressed the importance on the part of the credit men in maintaining the good will of those with whom they were obliged to do business, while at the same time making the necessary collections for the firm represented. There was a difference, he pointed out, between the past due account and the past due contract, inasmuch in the latter case there was the accumulation of new payments.

As the custodian of the good will of the customer for the firm, the credit man must, in the efforts carried out to make the collections,

take care to insure the continuation of the good will. It was not enough to get the payment of the money due, but it was also necessary to retain good will and thus insure further sales.

TACT NECESSARY

Tact was necessary in approaching one who had an overdue account. Whether in the opening of a new account or the collecting of an overdue one, the opportunity should not be allowed to pass to foster business for the firm represented.

The speaker said that good will, to his mind, was built up more by the credit department than by the sales department.

Next week the association will be addressed by W. P. Lawson, of the law firm of Lawson & Davis.

SAYS PARENTAL CARE IS VITAL

Proper Training Would Keep
Children From Mental
Homes, Speaker Claims

The failure of many parents to take proper care of their children was stressed in an address to the Kiwanis Club by R. S. Hosking, Toronto, national secretary of the Y.M.C.A. in Canada, at the club luncheon yesterday in the Empress Hotel.

Mr. Hosking said steps should be taken by society in providing adequate mental training for children. The speaker stated 50 per cent of the people in mental institutions in the country could have been saved in their youth if their parents had used the proper care. Twelve million dollars was spent in Canada each year in maintaining mental homes.

"Many boys would end up in penal institutions if it were not for club activity such as offered in the Y.M.C.A." The speaker said it cost approximately \$1,000 to keep a man in prison for one year.

Parents had less authority over their children today than they did twenty-five years ago, and home was less secure or permanent for the present generation than it was in the time of their parents. Mr. Hosking asserted, this being the cause of so many social delinquents in the world.

J. Langdon and Tom Scott were elected new members of the club at the meeting. They were introduced by William Luney and Harold Diggon, respectively. A. W. Trevett contributed two vocal solos to the programme, with C. C. Warren as accompanist.

TOURIST CARS SET RECORD

More Cars Came to City During
First Ten Months Than
In Whole of 1937

An all-time record for tourist automobiles handled at the ports of Victoria and Sidney was established during the first ten months of this year, even surpassing the total for the whole of 1937. It was shown in the figures compiled by G. A. Yardley, collector of customs, and issued by the Victoria and Island Publicity Bureau.

The gain for the ten months in foreign cars handled by the customs offices at the two ports, both inward and outward bound, amounted to more than 15 per cent over the same period last year.

So far this year, 31,907 cars have been handled, as compared with 28,045 for the twelve months of 1937.

GUN POSSESSION DRAWS SENTENCE

Gunnar George Christianson Ordered to
Serve Thirty Days
In Prison

Charged in the city police court with being in possession of an unregistered pistol on November 5, Gunnar George Christianson pleaded guilty and was sentenced by Magistrate Henry C. Hall to serve thirty days in prison at hard labor.

Detective Pearson Woodburn told of finding the pistol, a Colt .32-calibre automatic, in Christianson's quarters in a Port Street rooming-house. It was loaded with five cartridges.

Claude L. Harrison, city prosecutor.

Formally Opens New X-Ray Department

Hon. Eric W. Hamber, Lieutenant-Governor of British Columbia, officiated at the opening of the new X-ray department of St. Joseph's Hospital on Monday. In the above picture—His Honor is shown addressing the big gathering which attended the affair, Dr. F. M. Bryant, president of the hospital medical staff, who acted as chairman, being at the right. After the formal opening, Mr. and Mrs. Hamber and Lieut.-Colonel Vincent McKenna, A.D.C., who accompanied them, were conducted through the new department by Dr. Andrew Turnbull, radiologist in charge. The Mother Provincial, Sister Superior, and members of the board of directors received His Honor and Mrs. Hamber when they arrived at the hospital.

tor, informed the court that the accused was convicted on a charge of shopbreaking at Calgary in 1936.

Asked if he had anything to say, Christianson made the following statement, not under oath:

"I bought the gun in Ketchikan when I worked aboard Ss. Prince Robert. I paid \$20 for it, more for a curiosity than anything else. I never carried the gun. I was going to register it, but I did not know if I would be able to, since I was not in full-time employment."

Expect to Start Atlantic Flying Tests in Spring

LONDON, Nov. 8 (P)—The Air Ministry announced tonight it hoped to be able to start experimental trans-Atlantic air mail service as soon as the Bedford, Newfoundland, seaplane base is clear of ice next Spring.

The inauguration of experimental service will depend on the results of air refueling trials to be carried out in the meantime by the Cabot, one of the strengthened type of Empire flying boats at present under construction.

LARGER SCHOOL SIGNS WANTED

Junior Chamber of Commerce Deplores Carelessness of Drivers Near Schools

A suggestion that all school zone "slow" traffic signs be flanked by a checkerboard sign the width of the road, to be painted on the road, was made at a meeting of the Junior Chamber of Commerce on Monday night.

The proposal came following a report of the traffic committee by Harold Robinson deploring the carelessness of many drivers when operating their cars through school zones. The Junior Chamber members said they would be willing to arrange for the painting of the signs if the city would supply the paint.

At the meeting it was agreed to invite leading students from the Victoria and district high schools and Victoria College to some of the Junior Chamber meetings and also to arrange for scholars of higher standing to attend City Council meetings. The members said they would endeavor to carry out the idea suggested last year, of having high school students interview city officials and perhaps take over one or more civic offices for a day.

MILITARY AIRPLANE LEAVES FOR AIRPORT

MONTREAL, Nov. 8 (P)—First of ten military aircraft under construction for the Dominion Government, a Supermarine plane, took off today for Rockcliffe Airport on the Ottawa River. LIVING THEATRE IS ADVOCATED

Raymond Guyler, Director of
Beaux-Arts, Addresses
Junior Chamber

The importance of the theatre as a recreative art instead of as a mere sporting was the keynote of the talk given by Raymond Guyler to the Junior Chamber of Commerce on Monday night.

Speaking as the director of the Beaux-Arts Society, Mr. Guyler emphasized the difference between the living theatre, "that theatre which had existed from the time of the ancient Greek, and which must always be inspiring," and "the theatre of the entertainment industry," which "merely encouraged escapism."

The only theatre which the speaker and all serious actors wished to serve was the first, viz., the theatre which had given Sophocles, Euripides, Marlowe and Shakespeare, and, within the present century, Shaw, Barrie, Toller, Cope and (the Czechoslovakian), O'Neill, T. S. Eliot, Auden and Audette. He did not, said Mr. Guyler, mind whether that theatre was continued by the professional or the amateur, so long as it did continue.

The one place in Canada that would serve as a cultural city was Victoria, Mr. Guyler stated.

"Victoria has all the requirements as a cultural centre and this could be brought about by the unification of all the theatre groups in the city, by bringing in professional directors to single out talent and by keeping in touch with London and New York writers of good plays," he said.

PROBLEM OF PARLIAMENT

Opposition Will Probably Introduce Matter of Air Training in House

OTTAWA, Nov. 8 (C.P.).—Whether the proposal to train British military airmen in Canadian flying schools has foundered or continues a live issue, is a problem for the Government when Parliament opens. Since Group-Captain J. M. Robb, commander of the Central Flying School of the Royal Air Force, left Canada in September, nothing more has been heard of the proposal.

As the question was first raised by the Conservative Opposition in Parliament, the likelihood is that the Conservatives will demand information on why the plan has not been proceeded with.

Senator Arthur Meighen, Conservative leader in the Upper House, first raised the point when he asked, last June, if proposals had been made to the Government relating to the training of British pilots in Canada. The issue was transferred to the House of Commons by Mr. Hon. R. B. Bennett, and precipitated a warm debate.

CANADIAN UNITS

In his reply, Prime Minister Mackenzie King set forth that Canada would not consider favorably the establishment of Royal Air Force schools in this country, unless such were administered as Canadian units by National Defence headquarters.

When the Conservatives met here early in July to select a new national leader, the issue was emphasized vigorously by Senator Meighen.

ENCOUNTERED HEAVY STORMS

Long-Distance Record Flyers Out of Radio Touch For Hours

PORT DARWIN, Australia, Nov. 8 (C.P.).—A dramatic story of two hours of blind flying through an intense thunderstorm during the record-breaking Royal Air Force Egypt-Australia flight, was told today by Flight-Commander R. Kell, who commanded the three planes.

"For two hours over the Bay of Bengal we flew blind in intense thunderstorms," he said. "Vivid lightning threatened our heavily-laden aircraft. We hoped to gain 300 miles from following winds, but there were head winds every inch of the way. I believe we lost 200 miles over Bengal. We were out of radio touch for five hours."

Flight-Lieut. A. N. Combe, commander of plane No. 3, stated that during the storm his plane was charged with electricity, and there was a blue halo around the propeller. He said he touched a piece of metal in his clothes and got a shock.

BRANDY TOAST

The crews recalled they drank a brandy toast when they surpassed the former distance record of the Moscow-California Russian flyers. All members of the crews of the three planes declared they did not experience fatigue, but were troubled with sore eyes.

"The heat was a worse worry to us than cold," Commander Kell said. "Tentatively the machines took off with an all-up weight of 18,400 pounds, for which we needed a 1,200-yard run," he continued. "We sighted India in the moonlight 11½ hours later. The second sunset we saw was after 5,000 miles."

TRANS-CANADA PLANE LEAVING SEA ISLAND AIRPORT AT 7:10 P.M.

VANCOUVER, Nov. 8.—To accommodate Vancouver Island passengers and air mail for Seattle and Eastern United States and Canadian destinations, Trans-Canada Air Lines announces that commencing Monday next, trip four will leave Sea Island airport for Seattle at 7:10 p.m. This allows ample time for transfer from boat to planes.

Arrangements have also been made to set back departure of the Winnipeg mail plane to 7:15 p.m. in order to carry Island air mail for Western Canada and air express for all destinations as far east as Montreal.

KING AND QUEEN TO VISIT STATES

Continued from Page 1

be congratulated, because never before has any Dominion been privileged to welcome a reigning monarch on its own soil.

The King said he would visit the United States "before the conclusion of my Canadian tour." He added: "I warmly welcome this practical expression of the good feeling that prevails between our countries."

Thousands waited off the city November wind to watch the state procession from Buckingham Palace to Westminster. As the state coach passed the German Embassy the staff stood rigidly at attention, their arms outstretched in the Nazi salute.

Political aspects of the Throne Speech said the September crisis had revealed "certain deficiencies" in the country's defences and the Government had "reviewed these matters in the light of experience gained" and will take steps to "accelerate and supplement the measures already in hand."

PEACE CONSTANT AIM
"The constant aim" of the Government was "active furtherance of peace in Europe" to "lead to a wider spirit of confidence and supply a fresh impulse for expansion in trade, industry and employment."

Among the domestic legislative undertakings foreshadowed was a measure for "earlier and more effective treatment of cancer."

Mr. Chamberlain spoke briefly. He promised there would be no curtailment of existing social services during the coming year. He said the Government was not hiding any deficiencies in the defence organization, but it should not be taken for granted those plans "are an entire failure and have broken down."

OPPOSITION CRITICISM
Clement Attlee, leader of the Opposition, assailed the programme outlined in the speech from the Throne as that of "a weary, tired, feeble Government; a Government that keeps shuffling ministers without getting increased strength." He said the Government had no clear policy either in home or foreign affairs.

The Liberal leader, Sir Archibald Sinclair, condemned those who failed "to use with courage, foresight, and skill the instrument of the League of Nations" and declared if the Government wanted united support for its foreign policy, it would have to be based on the "rule of law and liberty."

COMPREHENSIVE TOUR
OTTAWA, Nov. 8 (AP)—When the King and Queen come to Canada early next summer they will plan to visit every province in the Dominion. Prime Minister Mackenzie King announced tonight. Their Majesties intend at present to devote three full weeks to the Canadian visit, and their trip to the United States will be in addition to that period.

Arrangements for the Canadian itinerary, responsibility for which rests upon the Canadian Government, will be in the hands of a sub-committee of senior members of the Cabinet not yet named. It is anticipated they will have all plans completed before the end of the year.

Keynote of the itinerary will be the endeavor to have Their Majesties see as many Canadians as possible and be seen by as many Canadians as the time permits. Social functions will be reduced to the minimum for that purpose.

HIGHLIGHT OF TOUR
Highlight of the tour will be the function in Ottawa, where Their Majesties will unveil the National War Memorial recently put in position.

All arrangements will have to be submitted to the King and Queen for their approval. The Cabinet sub-committee will confer with designated Provincial Government officials so that arrangements may be co-ordinated.

The Government has not been advised of the exact time the King and Queen will reach Canada. Mr. Mackenzie King said he did not know whether or not he would accompany the Royal party on the Canadian tour, nor was he prepared to say what part the Governor-General would play in the programme.

POOL AMALGAMATION WILL BE DISCUSSED
CALGARY, Nov. 8 (AP)—Proposed amalgamation of the grain handling facilities of the Western Wheat Pools and the United Grain Growers' Limited will be discussed at the annual meeting of the Alberta Wheat Pool opening here November 22, it was learned today.

At the annual meeting here last week the U.G.G. directors reported on the amalgamation proposal, and decision was made to continue negotiations "despite many difficulties."

DIPHTHERIA IN QUEBEC
ISLE VERTE, Que., Nov. 8 (AP)—To halt the ravages of a week-old diphtheria epidemic in this "Temisqui County" village, county health authorities took charge today of treatment of victims and started an investigation of its origin. Spread of the disease through the village during the week-end resulted in the deaths of two children—Jeanne Rivard and Jean-Claude Dumas—and forced closing of Isle Verte's school operated by nuns.

EARTHQUAKE IN VIENNA
VIENNA, Nov. 8 (AP)—Numerous houses in villages southeast of the city were damaged today by an earthquake lasting 10 seconds. Only slight damage was reported within Vienna itself. Several villages' houses were ordered abandoned.

Splendid Cough Remedy Easily Mixed at Home
It's So Easy! Makes a Big Saving. No Cooking.
To get quick relief from a distressing cough, mix your own remedy at home. (Once tried, you'll say it's your favorite cough medicine—and it is so simple and easy.)
First, make a syrup by stirring 2 cups granulated sugar and one cup of water a few moments, until dissolved. A child could do it. No cooking needed.
Then get 2 1/2 ounces of Pines from any drugstore. This is a compound containing Norway Pine in concentrated form, well known for its prompt action on throat membranes.
Put the Pines into a 16 ounce bottle. Put your syrup there. Then you make 16 ounces of very efficient remedy. And you get four times as much cough medicine for your money. It tastes fine and never spoils.
And for quick, blessed relief, it is splendid. You can feel it penetrating the air passages in a way that means business. It loosens the phlegm, soothes the irritated membrane, and eases the soreness. Thus it makes breathing easy, and lets you get peaceful sleep.
Just try it. And if not pleased, your money will be refunded.

TWENTY-FOUR REQUIRE HELP

Community Chest Campaign Fund, Open Still, Serves Several Charities

Realizing that their donations are really necessary to make twenty-four different welfare societies function properly for twelve months, a number of further subscribers are taking advantage of the fact that the Community Chest campaign is being extended until tomorrow at mid-day. Several of these people called at the headquarters, Union Building, yesterday, and left cheques, cash or pledges that helped to cancel some of the shortage of the grand total required, viz., \$89,297.

Auditors will be on hand again this afternoon and tomorrow afternoon from 5 to 7 o'clock, so that anyone wishing to learn the progress of the campaign may make inquiries at headquarters even at that late hour.

Several persons have reported that they were overlooked by canvassers during the seven days' official campaign. Others who may wish still to make donations will be welcomed at headquarters until the next two days. Friday will be a holiday.

CIVIL SERVANT DIES AT WORK

William T. Bridge, of This City, Taken With Seizure at Legislative Buildings

Death with tragic suddenness overtook William Thompson Bridge, 1035 Meares Street, as he was at work Monday morning as a clerk in the Provincial Lands Department. Though immediate aid was given, Mr. Bridge succumbed to shock, the cause of which was not immediately ascertained, for almost by his wife, one married daughter, and grandchildren.

The late Mr. Bridge would shortly have completed a quarter of a century of service with the Provincial Civil Service, which he joined at Lillooet as a forester in May, 1914, before going overseas for almost the duration of the war, attached to the 11th Canadian Army Medical Corps of the C.E.F. He returned in 1919, and rejoined the Provincial service in the Department of Lands, general office.

Born in Woodbridge, Suffolk, England, Mr. Bridge was sixty-five years of age. He was popular within the service, and his passing, with tragic suddenness, occasioned instant and widespread regret, both among his colleagues, and to a wide circle of friends in this city.

Funeral services will be held in Haywards' B.C. Funeral Chapel on Thursday at 3 p.m., after which cremation will take place at the Royal Oak Crematorium.

DR. KAYE LAMB CLUB SPEAKER

Provincial Librarian Outlines Victoria's Early History To Burns Group

Members of the Burns Club of Victoria, at their monthly meeting in the Chamber of Commerce auditorium last night, were given an unexpected treat when Dr. Kaye Lamb, Provincial Librarian, told his Scottish audience something about the early history of Victoria in an address he styled "Victoria's First Twenty Years." It was an address descriptive of the founding of Fort Victoria and incidents entering into the life of the people and the settlement to the time of the "gold rush" beginning in 1858.

Dr. Lamb mentioned the importance placed on agriculture by the first settlers and references that were made to it in letters from Colonial representatives to officials of the British Government. He quoted from several books dealing with conditions of the settlement, the outlook for the future and the growth of the area surrounding the fort, and included a number of amusing anecdotes of people and politics.

Dr. Lamb was cordially thanked for his address by W. A. Jamieson, a past president of the club. The musical programme consisted of groups of solos by Miss Marguerite Elliott and Miss Sheila Gunn; Highland dances by Mamie McAllister and Betty Cameron, and pipe selections by a quartet of pipers from the 2nd Battalion, Canadian Scottish Regiment. The opening selection was played by the club's piper, Pipe Major Donald Cameron, W.O. J. A. Dewar, president, was in the chair.

Second State Ball
Attended by Many
Guests Last Night

His Honor the Lieutenant-Governor Host to Members of Provincial Legislature at Dinner Before Dance—Many Vancouver Guests Present

THE second state ball during the Autumn session of the Provincial Legislature was held last night at Government House, when His Honor the Lieutenant-Governor and Mrs. Hamber entertained 500 guests, following the dinner at which His Honor was host to the members of the Legislature. Covers were laid for thirty-four at a table beautifully arranged with silver bowls of chrysanthemums and Sheffield candelabra holding tall lighted tapers.

The ball was attended by a number of Vancouver and Up-Island guests, in addition to a representative gathering of Victorians. As usual the setting for the ball was perfect in every detail, the flowers, arranged most beautifully, harmonizing with the various reception rooms.

RECEIVING THE GUESTS

His Honor and Mrs. Hamber received in the drawing-room, where choice chrysanthemums and great bowls of California roses had been arranged with charming effect. Mrs. Hamber wore a beautiful Delft blue gown with an all-over pattern of iridescent sequins. It was made on simple lines with a full skirt, the bodice made with triple shoulder straps which extended to

the low décolletage at the back. She also wore a diamond tiara, diamond necklace and bracelets.

Attending as aides-de-camp were Captain W. H. Molson, Brigadier J. Sutherland Brown, Major M. W. Turner, Lieutenant-Colonel Vincent McKenna, Lieutenant-Commander Donaldson, R.C.N.V.R.; Lieutenant-Colonel Hugh Allan, Captain R. L. Mitchell, Mr. A. M. D. Fairbairn and Captain J. G. Cromack, all of Victoria, and Colonel R. G. Parkhurst and Wing-Commander E. L. McLeod, of Vancouver.

A popular orchestra played the dance programme, in which the Lambeth Walk was the feature. Supper was served in the dining-room, the billiard room and also at small tables in the ballroom, dancing continuing later until 2 a.m.

Rockland Park W.C.T.U.

The November meeting of Rockland Park W.C.T.U. was held on Monday at the home of Mrs. Mossop, Pandora Avenue, the president, Mrs. John Hall, taking the devotional period in the absence of Mrs. Twamley. A number of visitors were welcomed, including Mrs. Giffin, Vancouver. Letters were covered sent to one member lately bereaved and to Mrs. F. W. Laine, Provincial vice-president, who is ill. Literature received from the Temperance League of British Columbia was read and discussed, and a petition against the advertising of liquor was signed by those present. Plans were made for work in various departments, including scientific temperance course, Little White Ribbon.

Weddings

ADCOCK—BROWN

The marriage was solemnized on Saturday evening at St. Barnabas' Church, Rev. N. E. Smith officiating, when Sylvia Grace, only daughter of Mr. and Mrs. W. Brown, Sasevan, B.C., became the bride of Mr. Leonard Adcock, Muir Creek, son of Mr. and Mrs. Adcock, New Westminster.

The bride, given in marriage by her father, wore a becoming frock of French blue point d'esprit over a slip of the same shade, a close-fitting blue hat and veil and carried a bouquet of pink carnations and chrysanthemums. Her bridesmaid was Miss Adele Murdoch, who wore an attractive frock of wine net over pink and a chic little floral hat. Her bouquet was composed of peach-colored chrysanthemums. Mr. James Arden was best man.

After the ceremony, a dinner party

was held at the Dominion Hotel,

where the table was arranged with beautiful chrysanthemums and a two-tier wedding cake held the place of honor. The bride's mother, who assisted in receiving the guests, wore a smart turquoise blue crepe gown and hat.

Mr. and Mrs. Adcock left to spend their honeymoon Up-Island, the bride traveling in a blue check suit with navy blue hat and accessories. On their return, they will make their home at Muir Creek, Sooke.

The next meeting will be on Monday at 7:30 p.m., when Cecil Clague will lead in the devotional service. There will also be discussions on "Peace and War," led by Rev. B. H. Wallace. Plans for the young people to take the Sunday service will be made.

City Collections
Of Current Levy
Near Estimates

George A. Okell, city assessor and collector, reported yesterday that a fraction more than 80 per cent of the outstanding current tax levy had been received by the city, leaving less than 20 per cent to be collected this year to meet the estimate set by the City Council.

Current taxes paid in to the city totaled \$1,291,375.34. The collection of taxes in arrears reached a total of \$274,722.28.

An additional penalty of 1 per cent will be added to outstanding current taxes not paid by November 16, and a further 3 per cent on December 3.

CONCERT HELD
FOR SOLARIUM

Britannia Branch Canadian Legion Sponsors Remembrance Programme

The "In Remembrance Day" concert given under the auspices of Britannia Branch No. 7, Canadian Legion, at the Shrine Hall on Monday evening, was in aid of the Queen Alexandra Solarium, on behalf of which institution Dr. J. D. Hunter, M.P.P., spoke a few words during the programme.

Dr. Hunter thanked the Legion for its kindness in arranging the concert for the Solarium, the proceeds to be devoted to the fund for a new laundry, which he said, was urgently needed.

The programme opened with two rousing numbers by the Canadian Legion Band, under the direction of C. A. Raine, the first "March" (3rd Dragon Guard) and the second the overture to the "Barber of Seville". The audience applauded the band wholeheartedly, and were delighted that a number, "Grand March" from "Tannhauser" (Wagner) was to be heard later in the evening.

Miss Sheila Conway sang very charmingly the "Waltz Song" from "Romeo and Juliet" (Gounod), her accompaniment being played by the band.

ELIZABETHAN SINGERS

The Elizabethan Singers, always a popular quartette, sang three numbers, "Twenty-Eighten" (arranged by Deems Taylor); "In Going to My Lonely Bed" (Edwards) and "Dawn" (Curran), and in response to appreciative applause, sang the sea chanty, "Billy Boy". The group includes Miss Phyllis Deaville, Miss Dorothy Parsons, Dudley Wickert and Jack Townsend, while Miss Maquinna Daniels played the accompaniment.

"O Lovely Night" (Landon Ronald) and "Sea Fever" (Deans) were Frank Tupman's solos, sung with genuine feeling and in fine voice. Miss Daniels was his accompanist, playing in her usual finished style.

A group of singers under the direction of Madame Eva Baird gave a concerted version of part of the "H.M.S. Pinafore", the part of the admiral being sung by Wilfred Demers, the captain, Dudley Wickert; bosun, Philip Heal; Ralph, T. Phipps; Hebe, Margaret Pattinson. What Miss Florence Clough contributed, a number of dances which were received with genuine enthusiasm and included by Lambeth Walk, a clever Russian number, a Mexican tango, acrobatic dancing by a little Chinese girl and an outstanding "Peculiar balancing" number by Kathleen Greig, son and Dan Pater. Cecil Heaton, the accompanist, shared the honors and was given a round of applause as he took his place at the piano.

TO DISPLAY FLOWERS REMEMBRANCE DAY

Tora Takahashi, well-known grower of high-grade flowers, has planned to exhibit plants and flowers at 42 George Road, which is near the city limits, on Remembrance Day, Friday, November 11. The display will be from 11 a.m. until 4 p.m., when the exhibitor will place on sale the cut flowers and potted plants.

The proceeds of the sale will all go to St. Joseph's Hospital. Tea will be served during the afternoon by a bevy of Japanese young ladies in native costume.

The exhibitor says he has about eighty new varieties of chrysanthemums among the collection to be shown. Most of these have been imported directly from Japan.

URGES WIDENING OF EAST SAANICH ROAD

The Saanich Board of Trade held its monthly meeting at the Brentwood Women's Institute Hall, Brentwood Bay, W. O. Wallace, in the chair.

A resolution was passed and a committee appointed to interview the proper authorities to have the East Saanich Road widened, and the yellow line extended the full length of the highway in the interests of safe winter driving.

A committee was appointed to ask the Provincial Government to keep

the Brentwood ferry in operation, as it was vital to the interests of Saanich and the tourist business, and was essential in winter time to motorists living Up-Island.

The electric light committee reported on its meeting with A. T. Goward and believed that lower light rates for Saanich would soon be granted.

Two new members were enrolled.

Received Bridge Set

Honoring Miss Gladys Garesche, a bride-to-be of this week, Mrs. H. B. French and her daughters, Misses Joan and Marjorie French, entertained last evening at their home on Dalhousie Street. Lovely bronze chrysanthemums were used as an attractive background in the reception room. During the evening, Miss Garesche was presented with a set of bridge accessories, which included table cover, cards, score pads, pencils and ash trays, which were contained in a silver box tied with red ribbon and decorated to resemble a double deck of playing cards. Several amusing games were played and after a buffet supper was served. The table was prettily arranged with a centerpiece of single spriged chrysanthemums in a silver bowl and small silver vases of similar flowers at the corners, lighted by tall ivory tapers in matching scones. Mrs. French presided and about twelve guests were present.

Dinner Party

Mr. and Mrs. C. R. McLachlan, Quadra Apartments, entertained on Tuesday evening at a dinner party in honor of Miss Edith Jones, a much-loved bride-to-be. On her arrival, Anna Jones was presented with a corsage bouquet of pink carnations. A bride's cake, topped with a miniature bride, centred the dinner table, which was decorated with pink carnations and tall pink tapered in crystal holders. During dinner, on behalf of those present, the hosts presented the bride-to-be with a beautiful silver flower basket. The evening was spent in playing games and contests. The guests were Misses Edith Jones, Beryl Whitehead, Edna Davis, Ann Patterson, Anna and Kay Morris, Jessie Ritz and Eva Phillips.

Celebrated Birthday

At the Crystal Garden on Monday, Miss Valerie "Huse" entertained a number of her friends at a delightful party in celebration of her eleventh birthday. Swimming races provided great fun for the girls, with prizes being won by Elizabeth Holmes, Beryl Nation, Mofa "Weir, Jane Ridewood and Marjorie Weir. Tea was served from a table gay with balloons and centred with a birthday cake iced in white, with pink roses and eleven tiny pink candles on the top. The hostess presided and cut her cake, while the young guests wished her many happy returns. Those present were Marjorie McKenzie, Jane Ridewood, Elizabeth Holmes, Mofa Weir, Elizabeth Ridewood, Beryl Nation and Marjorie Weir.

to Ottawa that it expected no increase in Dominion income taxation until a new basis of relationship was found.

"If the Dominion were not in the income tax field, we could more than double our revenue," he said. H. G. PERRY, M.P.P.

Vigorous championship of the immigration scheme of General Henry Lehigh, and of Sir Henry Page-Croft formed the keynote of Mr. Perry's speech. He declared that every race failing to cultivate its land and resources had its rights to territory challenged, and that there were millions of acres of arable land in British Columbia from which people now hungry could gain sustenance and a living.

"Men are coming into British Columbia now, and will continue to come in, and it is much better that they should be settled here on a well-financed plan," Mr. Perry claimed, in referring to the influx of men and families from the Prairies, only to become a public charge within six months.

Mr. Perry gave warning of the need for every member, regardless of party, to be on guard against the "oligarchy of an executive class," assailing upon the rights of Parliament, and the bureaucracy of departments and boards functioning under their delegated regulatory powers, in the place of judicial and open courts of law.

companies & retailers out of business. The Government wants to see that the consumers get fuel at a fair price, that's all," Premier Pattullo declared.

He asserted that the Government had no intention of going into the gasoline business, nor was it "out to fight" those operating public utilities, but to see that the people were served by those utilities on a fair basis. He intimated that he proposed to ask the Legislature at the present session for a specific vote for further oil prospecting in the province.

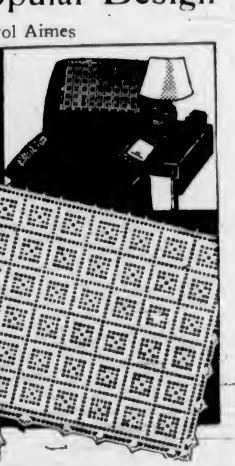

IMMIGRATION

On the question of Immigration and Sir Henry Page-Croft's scheme of settlement of British families in British Columbia, the Premier said that as far back as fifteen or twenty years ago he had stated that unless British Columbia made use of its resources, it would lose them. As immigration policy would increase business, he claimed, announcing that the Minister of Natural Resources at Ottawa had agreed to the appointment of a committee of representatives of the Dominion, the provinces and the two national railways to see whether some immigration scheme acceptable to Canada could be introduced.

Turning to Dominion-Provincial relations, the Premier stated that the Rowell Commission had been appointed largely at the instance of British Columbia. It was a fact-finding body, rather than one to make specific recommendations. He stated that the British Columbia Government had given notification

BRICKS AND BLOCKS CROCHETED CHAIR SET—DESIGN NO. 646

Dear Readers: So many of you have requested new designs for crocheted chairs and chair sets are always appreciated. We think this is a most interesting design—the model was very quickly worked. A nice suggestion is to use two colors for the blocks.

The pattern includes complete, easy-to-follow instructions for making the set both in one color and in combined colors, material requirements and finishing directions.

Send 15c, coins preferred.

Note—Miss Aimes reserves at least 300 votes for each design before it is accepted for this column. Send us your vote. We print all the popular designs.

other men who do not hide their desire for war with the Reich."

During the recent House of Commons debate on defence, Hitler charged, a member of the Opposition arose and asked: "Would this airplane also be able to carry a cargo of bombs to Berlin?"

"That is—undoubtedly what that means," the Fuehrer cried. "It is true that it is the Opposition which speaks this way, but in the democracies the Opposition of today will be the Government of tomorrow."

WORLD IN ARMS

"It would be very fine," he continued sarcastically, "if the world embarked on a road of justice and peace. But for the moment, we see only a world in arms, a menacing world."

"We have no intention to interfere in the internal constitution of other countries," he said.

"But as a German statesman I am obliged to study foreign problems and take notice of the dangers which present themselves. And I do not allow my instructions to be given to me by a British parliamentarian."

Repeating his charge that Germany for many years vainly strove to secure justice by negotiations, and recalling the naval accord concluded with Great Britain, he thundered:

"The Reich does not ask for negotiations. If we do not obtain justice by the normal procedure of negotiation, we will exact it!"

CITY SUGGESTS
AMALGAMATIONEsquimalt Wants Opinion
Of Other Municipalities First

A communication was received from the City Council at Monday night's Esquimalt Council meeting requesting consideration of a resolution adopted by the Victoria body regarding the establishment of a Vancouver Island Municipality Association.

The municipal body declined to take action in the matter until it could be taken up with Saanich and Oak Bay.

The municipal council was thanked in another letter from the city, for its willingness and co-operation to assist in the transportation problem of Greater Victoria. The letter also dealt with the preparations being made for enabling legislation for municipalities to grant transportation franchises.

With regard to the above problem, a letter was received from A. J. Morley which suggested the amalgamation of the municipalities into a Greater Victoria area as a means of settling the many perplexing problems confronting them.

A resolution from the Victoria Chamber of Commerce and Victoria Real Estate Board regarding street transportation was received and filed.

CHILDREN'S AID

The council accepted a request from the Children's Aid Society of Victoria to enable the organization to extend its scope of operation into the municipality. The clerk was asked to write the library board with a view to ascertaining the charges, regulations and conditions for the school children only of Esquimalt to use the city library.

Councillor Albert Head suggested a municipal library might be established, and books rented in bulk from the city and provincial libraries.

A letter of appreciation was ordered sent to the Mary Croft Chapter, I.O.D.E., for the gift of a Union Jack, which will be raised at the Remembrance Day ceremony. Letters of thanks were also ordered sent to Durand's Bakery, the Salvation Army, E. B. Blair and Mr. Johnston for the part they played in making the annual municipal Halloween bonfire a success.

President of Victoria Conservative Association Addresses Younger Organization

W. H. M. Haldane, newly-elected president of the Victoria Conservative Association, recently addressed a well-attended meeting of the Victoria Junior Conservative Association in the Campbell Building, Warwick Row, president, was in the chair.

Mr. Rawson reported to the meeting that five members of the Junior Association had been appointed to the committees of the Senior Association. C. F. Montgomery, treasurer, reported on the excellent financial standing of the association. Mr. Montgomery also spoke on the "Conservative Action" which will be started, now carry news of the senior wards. Mr. Montgomery expressed his opinion that the paper would become a valuable aid to the organization programme of the Conservative Association.

Mr. Haldane outlined his projects for the Junior Conservatives to accomplish during the coming season. These included the successful publication of "Conservative Action," which, he stated, is the first Conservative paper to be published in British Columbia; the formation of a Junior Conservative orchestra, to play at all general meetings and functions of the Victoria Conservative Association. Mr. Haldane also complimented the junior association on its successful arrangements for the social held on Dr. R. J. Manion's recent visit to Victoria.

Following the meeting, a social was held, under the direction of Miss Ruth Parr and Miss Betty Waitt. The currently popular Lambeth Walk and other dances and games were enthusiastically participated in by all present. Refreshments were served.

Than Any Known Variety

Carmine Maglio experimented for years . . . finally, by crossing thirteen different fruits, he succeeded in growing this remarkable variety, which bears plums unsurpassed for size, for sweetness, for texture. Maglio plums have an unusually small stone, and will keep for weeks after being picked. These trees yield fruit in unexpected abundance . . . even one-year-old trees usually bear plums two years after being planted.

THE BAY has been fortunate in obtaining a number of one-year-old Maglio Plum Trees from the Maglio Orchards, and now offer them for immediate planting. Each tree is registered. Why not plant one of these trees in your own back yard? Think, in only two years you'll have plums of unexcelled deliciousness, plums to make you young water.

CITY SUGGESTS
AMALGAMATIONEsquimalt Wants Opinion
Of Other Municipalities First

A communication was received from the City Council at Monday night's Esquimalt Council meeting requesting consideration of a resolution adopted by the Victoria body regarding the establishment of a Vancouver Island Municipality Association. The municipal body declined to take action in the matter until it could be taken up with Saanich and Oak Bay.

The municipal council was thanked, in another letter from the city, for its willingness and co-operation to assist in the transportation problem of Greater Victoria. The letter also dealt with the preparations being made for enabling legislation for municipalities to grant transportation franchises.

With regard to the above problem, a letter was received from A. J. Morley which suggested the amalgamation of the municipalities into a Greater Victoria area as a means of settling the many perplexing problems confronting them.

A resolution from the Victoria Chamber of Commerce and Victoria Real Estate Board regarding street transportation was received and filed.

CHILDREN'S AID

The council accepted a request from the Children's Aid Society of Victoria to enable the organization to extend its scope of operation into the municipality. The clerk was asked to write the library board with a view to ascertaining the charges, regulations, and conditions for the school children only of Esquimalt to use the city library.

Councillor Albert Head suggested a municipal library might be established, and books rented in bulk from the city and provincial libraries.

A letter of appreciation was ordered sent to the Mary Croft Chapter, I.O.E., for the gift of a Union Jack, which will be raised at the Remembrance Day ceremony. Letters of thanks were also ordered sent to Durand's Bakery, the Salvation Army, E. S. Blair and Mr. Johnston for the part they played in making the annual municipal Halloween bonfire a success.

W. J. Cave was appointed returning officer and A. E. Cave deputy returning officer for the municipal elections. Voting will take place in the municipal hall for section one and 424 Craigflower Road for those residing in section two.

President of Victoria Conservative Association Addresses Younger Organization

W. H. M. Haldane, newly-elected president of the Victoria Conservative Association, recently addressed a well-attended meeting of the Victoria Junior Conservative Association in the Campbell Building, Warwick House, president, was in the chair.

Mr. Rawson reported to the meeting that five members of the Junior Association had been appointed to the committees of the Senior Association. C. F. Montgomery, treasurer, reported on the excellent financial standing of the association. Mr. Montgomery also spoke on the Junior Conservative Association's "Conservative Action," which will be stated, now carry news of the senior wards. Mr. Montgomery expressed his opinion that the paper would become a valuable aid to the organization programme of the Conservative Association.

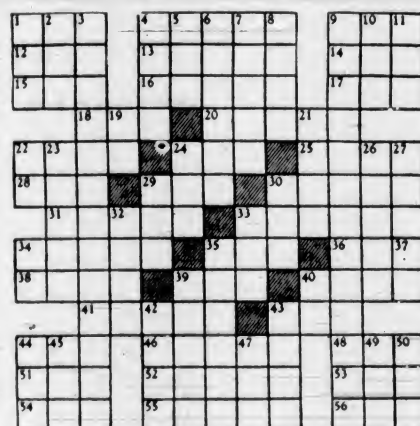

Mr. Haldane outlined his projects for the Junior Conservatives to accomplish during the coming season. These included the successful publication of "Conservative Action," which, he stated, is the first Conservative paper to be published in British Columbia; the formation of a Junior Conservative orchestra, to play at all general meetings and functions of the Victoria Conservative Association. Mr. Haldane also complimented the Junior Association on its successful arrangements for the social held on Dr. R. J. Manion's recent visit to Victoria.

Following the meeting, a social was held under the direction of Miss Ruth Parr and Miss Betty Watts. The currently popular Lambeth Walk and other dances and games were enthusiastically participated in by all present. Refreshments were served.

Plums That Are P-L-U-M-S

The New
Maglium Tree
Produces Plums

- Much Larger
- Juicier
- More Luscious
- Sweeter
- Longer Lasting
- Firmer

Than Any Known Variety

Carmine Maglio experimented for years . . . finally, by crossing thirteen different fruits, he succeeded in growing this remarkable variety, which bears plums unsurpassed for size, for sweetness, for texture. Maglio plums have an unusually small stone, and will keep for weeks after being picked. These trees yield fruit in unexpected abundance . . . even one-year-old trees usually bear plums two years after being planted.

THE BAY has been fortunate in obtaining a number of one-year-old Maglio Plum Trees from the Maglio Orchards, and now offer them for immediate planting. Each tree is registered. Why not plant one of these trees in your own back yard? Think, in only two years you'll have plums of unexcelled deliciousness, plums to make your mouth water.

CHILEAN ARMY TAKES HONORS

Scores Great Triumph in New York Horse Show Before 12,000 Fans

NEW YORK, Nov. 8 (AP).—The Chilean army team of Major Eduardo Yanes and Captain Pelayo Izuelita won tonight's competition in the International Military Challenge Trophy before a crowd of 12,000 at the National Horse Show.

Mounted on Toqui and Desada, the South Americans turned in a faultless performance, and held the lead in the three-day competition with a score of minus 16 for two days. The United States army team was second with minus 28.

The Mexican team of Lieut. Jaime Zapet and Lieut. Ramiro Palfox were second in tonight's performance over the stiff nine-jump course with only a half-fault.

The first Canadian team took third with Lieut. Douglas Cleland and Captain Stuart Bale riding Roxanna, a brown mare, and Dundred, a brown gelding. The Canadians committed only one fault over the difficult course.

Despite tonight's fine showing, the Canadian team is far behind in the two-day totals. After tonight's jumping, the riders from the Dominion had 137 fault points against it with Chile, United States, Mexico, France and Cuba well in front.

Memorial Trophy Awarded to Argo Player by Union

TORONTO, Nov. 8 (AP).—Wes Cutler, brilliant outside wing of Toronto Argonauts, has been awarded the Jeff Russell Memorial Trophy as the Inter-Provincial Rugby Football Union's player best combining sportsmanship and ability. Secretary Jimmy Dolan, of the union, announced today.

Headed for Good Season

One lad who seems headed for a good season in the National Hockey League is young Murph Chamberlain, centre for the third string line of Toronto Maple Leafs. Chamberlain played some swell hockey last year, and with a new set of wings—the Metz brothers—Murph showed plenty of zip and sparkle in the pre-season workouts. Here is the scrappy forward ready for ice action.

Saturday, according to the list announced yesterday by C. E. Ley, chairman of the referees' board. Pangman will have charge of the Navy-Army Armistice Day match at Macdonald Park and McConnan will officiate at the Oak Bay Wanderers-Canadian Scottish fixture on Saturday. McMillan returns as an

gubernatorial nominees were in the van in Connecticut, Iowa, Kansas, Massachusetts, Michigan, Minnesota, Nebraska, New Hampshire, Oregon and Rhode Island.

Republican Ralph L. Carr wrested Colorado's governorship from the Democratic incumbent, Teller Ammons.

John D. M. Hamilton, Republican national chairman, declared in a statement at Washington early today that the returns were "very encouraging," although he said he would not appraise the significance of the election until a "more complete picture" was obtained later in the morning.

DEMOCRATS LEADING

Besides taking New York, the most powerful political unit in the country, Democrats also were leading in the senatorial races of Illinois, Indiana, Iowa, Kentucky, Missouri, New Jersey and Nevada.

They were ahead in the gubernatorial races of Maryland, Ohio, Arizona and New Mexico.

In narrowly missing the post of Governor of New York, Dewey ran far ahead of the Republican ticket. Governor Herbert Lehman won by about 100,000 votes. Senator Robert F. Wagner and Representative James M. Mead, Democratic candidates for the Senate, held comfortable leads over their Republican opponents, John Lord O'Brien and Edward F. Cora.

After an historically turbulent campaign, the Republican Party was well to the front in Pennsylvania. Arthur H. James, the Republican senatorial nominee, was running well ahead of Charles Alvin Jones, Democrat, and Senator James J. Davis, Republican, seeking re-election, was more than holding his own against George H. Earle, the state's first Democratic Governor in two-score years.

CLOSE RACE IN OHIO

Ohio turned out to be a battleground. Senator Robert J. Bulkley, New Deal Democrat, and Robert A. Taft, Republican, were neck-and-neck in the gubernatorial contest there. Charles Sawyer, Democrat, held a still uncomfortable margin over Republican John W. Bricker. In Michigan, Governor Frank Murphy, Democrat, seeking re-election with the support of President Roosevelt, found the early figures favoring his adversary, Frank D. Fitzgerald.

In California, Sheridan Downey, Democratic nominee for the Senate and early backer of the "30 every Thursday" old age pension plan, ran ahead of Phillip Bancroft, Republican. Culbert Olson, Democrat, likewise held the advantage in his effort to unseat Republican Governor Frank F. Merriam.

CHAMP CLARK RETURNED

Senator Bennett Champ Clark, of

Missouri, was re-elected by a comfortable margin, increasing in the judgment of many, his stature as a conservative or "middle-of-the-road" Democratic presidential prospect.

All three of the Democratic Senators who were targets of President Roosevelt's party "purge" campaign in last Summer's primaries came through easily. They were Tydings in Maryland, George in Georgia and Smith in South Carolina. The "purge's" one victim was Representative John J. O'Connor, who, defeated in the Democratic primary, won nomination as a Republican, only to be beaten by James H. Poy, Democrat.

Two Democrats, whose nominations were opposed by prominent New Dealers, Representative D. Worth Clark, running for the Sen-

ate from Idaho, and Senator Guy M. Gillette, seeking re-election in Iowa, were in the lead.

RESULTS IN KANSAS

Senator George McGill, of Kansas, New Deal follower who helped write the 1938 Farm Bill, was far behind former Governor Clyde M. Reed, a Republican with liberal leanings. Republican Payne H. Ratner, a State Senator, dampened Walter A. Huxman's hope of being the first Democrat re-elected Governor of Kansas.

In Oklahoma Senator Elmer Thomas, Democrat who got a "few kind words" from President Roosevelt in the primary, defeated his Republican opponent. Only one Oklahoma Congressional district was endangered by a Republican, and

SEE-SAW BATTLE

SEATTLE, Nov. 8 (AP).—Republican candidates in Eastern Washington's fourth and fifth districts waged a

see-saw battle to break the solid Democratic hold on congressional seats as returns mounted from today's election.

Returns from about a fourth of the State's 2,962 precincts continued to show an advantage for opponents of Initiative 130, the strike regulation measure. In 777 precincts, the count was: For, 6,091; against, 7,647.

Senator Homer T. Bone held his nearly two-to-one lead when 824 precincts had been counted. He had 95,594 to Republican Ewing D. Colvin's 52,484.

Democratic Congressman Warren G. Magnuson, in the first district, and John M. Coffey, in the sixth, piled up heavy leads in representative returns. Hon. C. Wallgren and Martin F. Smith, Democratic congressional incumbents in the second and third districts, had smaller margins in slower returns.

In the medal round played at the Uplands Golf Club, R. H. Frame was the winner with a card of 81-18-63. J. Cameron was the runner-up with a score of 78-13-65.

Marylebone Bats Out 589 Runs in First of Series

GRAND, South Africa, Nov. 8 (AP).—The touring Marylebone Cricket Club gave a great demonstration of batting strength today in its opening match in South Africa. Playing a two-day game against an eleven representing Western Province country districts, the Englishmen hit up 589 runs for eight wickets. Edward Paynter, Lancashire veteran, obtained 193 runs in two hours and thirty minutes. Wally Hammond, captain of the touring team, hit up 106 in as many minutes.

Margot Lumb Tops O.C. Net Rankings

LONDON, Nov. 8 (AP).—The British Lawn Tennis Association, in announcing its official 1938 rankings, today promoted Margot Lumb, who defeated Helen Jacobs in the United States national championships, from eleventh place to second.

Miss Lumb was ranked runner-up to Margaret Scriven, while H. W. Austin headed the men's list.

The other rankings were: Men—No. 2, Charles Hare; 3, Ronald Shaves; 4, D. W. Butler; 5, C. J. Jones.

Women—No. 3, Ruth Hardwick; 4, Kay Stammers; 5, Mrs. S. H. Hammerley (the former Freda James).

Jane Dixon Says:

A NINETEEN-YEAR-OLD GIRL, PHYSICALLY DISABLED, IS UNDECIDED WHETHER TO MARRY THE MAN SHE LOVES

A love that is big enough and tender enough, to see only that which is kind and beautiful, should be strong enough to last for life.

Dear Miss Dixon:

I am nineteen and am engaged to a young man aged twenty-one.

We love each other so much that when we are together life is complete.

Miss Dixon, I am a cripple. There are very few chances that I shall ever recover from my disability.

Shall I give this man I love, and who loves me I'm sure, a chance to find another girl who could give him a proper home and family? He swears he loves me enough to take me as I am.—Jean.

Comment: I'm not sure of the answer, Jean. You see, I do not know you or the young man. So much depends upon what you are able to give one another of companionship, of inspiration, of aspiration.

Basically, the family is the foundation upon which marriage is built; but, men and women have married and, without family, have contributed more to the sum of human happiness and human progress than have the mothers of social misfits, mental sub-normals and other impediments of the human race.

A man of twenty-one is pretty young to make a decision about a future without hope of his own child or children. However, there may be some other service the two of you are destined to do together, for the universal family.

Will some of the friends of this column express an opinion? P.S.—Personally I know of one such marriage that has been a pattern for happiness. The couple adopted two little folk—a boy and a girl. Joy reigns supreme in the home, and no one in it ever thinks about the author of it being a cripple.

POLICE SERGEANT HAS NOSE FOR NARCOTICS

TORONTO, Nov. 8 (P.)—Police Sergeant George Crawford has a keen sense of smell. As a result, youthful Mr. and Mrs. Cyril Vandrouk of Windsor, Ont., today were held in custody here on charges of distributing narcotics. Crawford last week led a police raid on a downtown rooming-house suspected of being the scene of illegal sale of liquor. He smelled what he thought was marijuana burning. Investigation disclosed two pounds of marijuana seed, a narcotic, and forty-five cigarettes allegedly made from the seed.

TRADERS WANT ACT TO STAND

Campaign to Repeal Anti-Price Cutting Act Opposed By Retailers

A resolution urging the members of the Provincial Legislature "not to be influenced by the misleading statements of one large institution that is seeking the repeal of the Commodity Retail Sales Act," passed at the 1937 session of the Legislature, was carried unanimously at a general meeting of about fifty retailers held under the auspices of the Retail Merchants' Association in the Empress Hotel, Monday night.

The opinion was expressed in the resolution that the act had stabilized prices throughout the province to the benefit of producers, consumers and retailers.

Both resolutions were moved by E. B. Jones, chairman of the Victoria Community Grocers, and seconded by Alfred Clark, chairman of the Victoria Purvey Grocers.

The resolutions were passed after an explanatory address by George R. Matthews, provincial secretary of the association, who declared that Woodward's, Limited, Vancouver, was campaigning to have the Commodity Retail Sales Act repealed during the present session of the Legislature. He charged that this company was misleading the public.

AFTER-HOUR TRADING
The meeting also took up the question of after-hour trading in groceries by fruit, vegetable and candy stores, and a committee of nine retailers volunteered to work in co-operation with the grocers' executive of the association to have the relevant city-by-law amended so as to provide a greater measure of control over the form of trading by admitting of the cancellation of offenders' licences.

Goldwyn Terry presided over the meeting.

ADVISES CARE IN WORD USE

R. L. Maitland, K.C., M.P.P., Addresses Gyros on Harsh Manner of Speaking

Speaking before the Gyro Club in the dining-room of the Pacific Club on Monday, R. L. Maitland, K.C., leader of the Opposition in the Legislature, discussed the subject, "The Power of Words," and urged upon his hearers to make it a practice to choose the expressions that pleased and comforted rather than the harsh words that were intended to hurt.

Unspoken words were under one's control, but having once been uttered, the spoken words were uncontrollable. The use of words was a common characteristic of the human family. As members of mankind went through life they had the power to decide as to whether the words spoken would be those that hurt or those that had the opposite effect.

Mr. Maitland drew the picture of the part played by Will Rogers while none of those present had ever met him, yet in the passing of that man they felt that a friend had been removed. This he attributed to the fact that in life Rogers lived expressions. When he wanted to get home truths that might be expressed in a cutting way, he had the faculty of expressing them in other than a biting manner.

WOULD BE REMEMBERED
Because of this he was of the opinion that Rogers would be remembered when Walter Winchell would be forgotten.

In conclusion, the speaker made reference to the role played by Prime Minister Chamberlain in Great Britain, maintaining that his record in averting war would go down in history. His declaration: "In war there are no winners," would long be remembered in history.

Mr. Maitland was introduced by Leslie Osborne, while J. L. Clay tendered the thanks of the club to Mr. Maitland.

OVERSEAS GROUP SHOWS STRENGTH

Mrs. Charles Woodworth, Organizing Secretary, Tells of Growth of League

The Victoria branch of the Overseas League met Monday afternoon in Spencer's dining-room and had the opportunity of hearing Mrs. Charles Woodworth, organizing secretary for Canada, who is here in the interests of the league.

In her address, she informed the gathering of the growth of the league, both in the Old Country and in Canada. There were now more than 50,000 members.

Mrs. Woodworth explained that she was now devoting her attention to the whole of Canada, where there are twenty depots. She said that a great deal of interest was being taken in the film library, which had been materially added to. Of the number, there were eighty films in British Columbia. These were under the charge of the Vancouver School Board and could be applied for and used in the local depots. Mrs. Woodworth spoke of the recent visit of Sir Harry Lindsay to Canada and the interest aroused by him.

Mrs. R. M. Hodgins, honorary corresponding secretary, outlined various matters of interest that had come before her during the recess since the last meeting.

The SNAPSHOT GUILD SNAPSHOT ODDITIES

Giant frog. Some wag painted eyes and mouth on a big roadside billboard and an alert picture-taker came along and snapped an excellent "oddy" picture. Keep your eyes open for things such as this—they add interest to your album.

Do you keep your eyes open for odd and curious things which might be material for an "unusual picture" section in your snapshot album?

Watch for such subjects when you are on a picture-taking jaunt, and you may be surprised at the things you find. Oddly twisted trees that look like old men—a freakish bit of architecture—a wall-shadow that looks like a human face in profile—an unusually realistic scarecrow in a farmer's field—motel cloud forms—all these are candidates for the "unusual picture" collection.

Observe reflections, too. Picture the upside-down reflection of a building in water. Turn the picture right side up, and the water ripples look like best waves. Extreme angle shots of some subjects, taken with camera pointed straight up—or straight down, often produce weird effects. For example, put the camera on the floor at the bottom of a well-lighted circular staircase

CHAPTER XVI
"But Stephen..." Why wouldn't he let her say it? "Burry up with your drink. I've a hunch we'll be lucky on the first race."

Lyle's mother was talking to Stephen when Lyle came into the living-room. And when they left, either stood on the lawn near the flowers she loved and tended, and watched the maroon-colored car with her hand shading her eyes from the sun. Her feelings were a mixture of amusement and apprehension. "He's so much in love with her and he doesn't know how she feels. And if they aren't careful, if something doesn't happen to set off a spark, they'll lose each other."

There was a record-breaking crowd at the races. Lyle came away richer by a few dollars. "Didn't I tell you we'd be lucky on the first race?" he asked as they walked to the car.

She looked up from under the brim of the green felt hat. "You're nearly always right, Stephen." After they had been driving for some time, she said with a little sigh, "I've got to be going back to New York to work. I'm not a vice-president. I'm going back day after tomorrow. Then I'll be at the store on Monday."

"She'd get a kick out of it. That's the kind of gal she is. Very well, if you must go. We'll celebrate tonight and tomorrow night." He frowned suddenly. "No, not tomorrow night, I'm afraid. If I'd known you were going back after tomorrow, I shouldn't have asked an old friend who happens to be staying at my hotel to dinner. We'll have to celebrate your departure tonight."

She felt a sting of disappointment. He wouldn't be with her tomorrow night, her last night. He'd be with another girl.

Bibi asked, knowing she had no right to ask, "A girl?" "A girl I thought I was in love with once," he said.

"Stephen, how do you know when you are really in love? How do you know when it's real and true and beautiful? How do you know it's the kind that will wear and endure?" He did not speak for a moment. Then he said, "There are few people who at some time or another don't make a mistake in love. You're lucky if you guess right—the first time. Just plain lucky. People have flaws and lacks but occasionally there are two people who are perfect for each other. Jeff had been wrong for Lyle and right for Troy, he believed. You are perfect for me, he thought, and I could be perfect for you."

He left her, saying: "Be back at eight." And he wanted to tell her to wear the silver dress because she was so lovely in it and because the night had been so hard and she had known he loved her.

"To Be Continued"

What Today Means

"SCORPIO"
If November 9 is your birthday, the best hours for you on this date are from 10 a.m. until 12 noon; from 3 to 4 p.m. and from 8 to 10 p.m. The danger periods are from 5 to 10 a.m.; from 6 to 8 p.m. and from 10 p.m. until midnight.

Confusion this day, may make it difficult for people of an intellectual type to think clearly. If you have to make your living by your brain, you need not expect the average person to show you very much consideration, due to a failure to appreciate the importance of quiet for anyone engaged in mental activities. Lack of system or the means of getting information is also liable to be one of this day's greatest handicaps.

Be careful that fatigue does not slow down your power of devising or planning, for your mind must be fresh to get the right results. This ought to be an excellent day for buying, selling or work of a publicity nature. Do not allow optimism to cause you to ignore the day's demands on your time, for it will not be the fellow-chasing rainbows who will get the pot of gold. Married and engaged couples, and those who have been coqueting upon the advantages that marriage has to offer, might find requests will be granted whereas demands are liable to be ignored.

If a woman and November 9 is her birthday, you have a "win" of your own and resent others trying to impose theirs on you. You probably cannot work well with anybody in any line of business where judgments may clash. The chances are generally win the confidence of its playmates and has a world of influence over them. The future apparently holds plenty of promise for this youngster.

If a man and November 9 is his natal day your greatest weakness is apt to be a love for detail. Good judgment ought to characterize most of your actions. You perhaps dislike offering excuses, so may win a reputation for business. You are either mechanically or artistically minded, therefore, you should make an excellent engineer, electrician, mine operator, architect, artist, writer, sculptor or actor.

It was said of Bismarck that he could keep silent in seven different languages.
